MS-USBCA-XX

M Solutions

USB 3.0 AM-Type C, AOC, Black (Backwards compatible, Data only)
(Host: USB A Male / Device: Type C), 15m / 30m

Description:

Our USB3.0 Type-A to Type-C Active Optic Cable is suited for critical and versatile installations where distance is required. This cable supports USB3.0 superspeed device connectivity with up to 10Gbps of data transfer over a light weight, flexible hybrid cable with an ultra-small bend radius (40mm).

Key Features:

- Supports USB3.0, USB2.0 and USB1.1 devices
- Supports all USB 3.0 device types: control, interrupt, bulk and isochronous at up to 10Gbps
- Operates with USB3.0 superspeed host controllers
- Support for Windows, Linux and iOS operating systems
- Plug and Play - no drivers or downloads required
- 40mm bend radius (max)
