MS-11B

MSolutions Extender Rack Mount

Description:

The MS-11B allows for up to 11x individual black form factor MSolutions extenders (i.e. MS-210U4P) to be housed in a neat 3.5U 19" rack mount solution.

The rack mount features a simple front locking bar to prevent units from being removed easily once secured. Units are spaced to allow for optimal air flow between equipment to keep them cool and maintain optimum performance during operation.

Key Features:

- Fits up to 11x MSolutions extender products
- 3.5U 19" rack mountable
- Supplied flat packed with simple assembly
