MS-11

MSolutions Extender Rack Mount

Description:

The MS-11 allows for up to 11x individual MSolutions extenders (i.e. MS-6U41A) to be housed in a neat 2U 19" rack mount solution.

The rack mount features simple front and back locking bars to prevent units from being removed easily once secured. Units are spaced to allow for optimal air flow between equipment to keep them cool and maintain optimum performance during operation.

Key Features:

- Fits up to 11x MSolutions extender products
- 2U 19" rack mountable
- Supplied flat packed with simple assembly

Technical Specifications:
